

LUNG FORCE LEARNING

LUNG FORCE Learning is an educational event designed for lung cancer and other lung disease patients and their caregivers to give them the confidence and tools they need to stay connected and become advocates for their own healthcare.

Space is very limited!

LEARN • SHARE • CARE

At the **LUNG FORCE Learning** event, you'll find:

- Educational programs for patients and caregivers
- Inspirational speakers
- Exhibitors and supporters
- Materials and resources

Fee

\$10 per participant. If this presents a financial hardship, please contact us about a scholarship. Pre-registration is required.

More Information/Special Requests

Participants with special need requests should contact Patty Inman at 248-220-5210 or Patty.Inman@Lung.org by October 13th.
