

Mission Statement

The MCC is a statewide, broad-based partnership that strives to include all interested public and private organizations and provides a forum for collaboration (communication, coordination and the sharing of resources) to reduce the burden of cancer among the citizens of Michigan by achieving the Consortium's research-based and results-oriented cancer prevention and control priorities.

Vision Statement

The MCC is a statewide cancer control leader, recognized for:

- A dynamic, timely, conscientious response to evolving scientific knowledge, and
- Achievement of or exceeding its established goals in cancer reduction and palliation through member synergy.
