

MCC Inspiration Award (For Survivors)

No one should face cancer alone. Courageous, determined, resolute, faithful; these are the faces of cancer survivors. Do you know someone who had exemplified these words and lifted up others in the face of their own diagnosis?

Criteria for nomination:

1. Michigan Resident
2. Must be a cancer survivor (any diagnosis type)
3. Has been an advocate for cancer survivors in the community or health care institution through one or more of the following:
 - Significant participation in community cancer events, education to cancer survivors and/or medical practitioners about cancer survivorship through written or verbal activities
 - Committed to reducing the burden of cancer in Michigan through cancer control and prevention
 - Facilitates or actively participates in cancer support groups
 - Exemplifies outstanding leadership and empowers cancer survivors and advocates
 - Support of State and/or Federal Public Policy efforts. Note: The MCC does not engage in lobbying.

Please provide a detail actions or activities of the nominee pertaining to the selection(s) above
