MEMORANDUM

DATE: March 6, 2008

TO: BCCCP Coordinators

FROM: Cathy Blaze
Reimbursement Analyst
Cancer Control Services Project

SUBJECT: Fiscal Year 2007 Closing

FY 2007 claims: I want to assure everyone that we will make sure that all FY07 claims that we have said are being processed get paid. This includes claims that Tory and Sam have manually processed and FY07 claims that have been directly sent to me for processing. If providers have not received payment or rejections on FY07 claims, please have them fax the claims to me as soon as possible. My secure fax number is 517/324-7324.

Take backs: Unfortunately we are unable to process FY07 take backs due to circumstances beyond our control. Providers can directly send Health Advantage a check for the amount they were over paid. All the money goes to Health Advantage even if the claim was originally paid by Nationwide. We still have had a number of providers sending checks to Nationwide. These checks are then forwarded on to us and we send them back to the provider asking them to send Health Advantage the money. Please have the checks sent to the following address:

**Health Advantage
PO Box 1511
Flint, MI 48501-1511**

We want to thank everyone for their patience and please let me know if you have any questions or concerns (cblaze@mphi.org or 517/324-7304).
