“Conducting the Community Scan: Using the Information to Strengthen the FDA’s Tobacco Control Act and Protect Our Youth”

Thursday, August 12, 2010 11:00 a.m. – 12:00 noon EST

- Understand what provisions of the FDA Tobacco Control Act (TCA) are in effect, how they are being enforced, and which local policy/regulatory actions can strengthen the TCA
- Learn about the Tobacco Program’s local community scan tool and what is important to share with the FDA’s Center for Tobacco Products
- Learn what information to share with your community and local and state elected officials, including describing gaps in the FDA Tobacco Control Act that could be addressed at the local level

To register: Complete, fax or e-mail accompanying registration form

Speakers: Linda Nordeen, Youth Access Specialist and Teri Wilson, Tobacco Section Consultant, both from the Tobacco Prevention and Control Section, Michigan Department of Community Health

Sponsored by the Michigan Department of Community Health Tobacco Section
