Michigan Cancer Consortium (MCC)

The MCC is an organization of organizations working together to control cancer in Michigan.
Why Was the MCC Formed?

- To develop a coordinated, strategic attack against cancer in Michigan
- To share resources, knowledge and expertise
- To reduce duplicative efforts and optimize resource utilization
- To achieve our goals at a faster rate
MCC Members

- 115 organizations from across the state.

- Organizations represent:
  - Health Systems
  - Insurance Plans
  - Local Health Departments
  - Research Institutions
  - Universities
  - Trade/Professional/Advocacy Organizations
  - Hard to Reach/Special Populations
