We ac
cpar
ini
We carried out cancer survivorship prevention that reached over 1,800 people. More than 40 organizations around the state have participated in MCC collaboratives reaching thousands of additional Michigan residents. And, MCC member organizations reported nearly 450 activities that support the MCC Policy Committee and Health Disparities Workgroup Priorities in 2013 alone - more is yet to come.

We worked together on cancer prevention
Tobacco Cessation Collaborative which included 20+ oncology practices

Presentations:
• Regional Meeting of Cancer Prevention and Control Partners: Primary and Secondary Prevention Sessions
• Webinar: Community Transformation Grants in Michigan
• MCC Annual Meeting: Lung Cancer Screening: What Now?
• Webinar: Improving HPV Vaccination Rates in Michigan: A Call-to-Action

We carried out cancer survivorship initiatives
Survivorship Care Plan collaborative which included 22 organizations

Presentations:
• Webinar: Cancer Registry and Survivorship Care Plan

We actively promoted early detection of cancer
