Dear Hiam Hamade,

It is my pleasure to congratulate you and ACCESS Community Health & Research Center on earning CDC Full Recognition for your diabetes prevention program. This designation is reserved for programs that have effectively delivered a quality, evidence-based program that meets all of the standards for CDC recognition. The sustained success of your lifestyle change program makes an invaluable contribution to the prevention of type 2 diabetes, both in your community and nationally. We appreciate your participation in the National Diabetes Prevention Program and we are committed to working with you to do everything we can to ensure your continued success as a critical member of our national effort.

As the Director of the Diabetes Prevention Recognition Program, it is immensely gratifying to see the science of diabetes prevention being implemented to improve the public's health. You and your colleagues should be extremely proud of this accomplishment. It is programs like yours that are turning the tide in the fight against the epidemic of type 2 diabetes. Thank you for all that you are doing and for your commitment to reducing the preventable burden of diabetes in the U.S.

Sincerely,
