## Commission on Cancer Update:

*Oncology Times* reported in its July 10, 2014 issue that ASCO and CoC are evaluating at the date of implementation on Standard 3.3 regarding Survivorship Care Plans. For more information on this refer to the article found at:

## Incentives:

- Approximately $500 will be awarded to organizations joining the collaborative in July that complete the following:
  - Provide completed assessment to the Michigan Department of Community Health (MDCH) by August 22, 2014.
  - Participate in the September 5, 2014 meeting.
  - Participate in the October, November and December 2014 webinar/tele-conference.
    - [Verified through roll call attendance](#)
  - Provide requested evaluation data to MDCH by deadline to be determined.
    - [More information on this in September](#)
  - Provide Care Plan Implementation process to MDCH by deadline to be determined.
    - [More information on this in September](#)
- Earned incentives would be distributed in early 2015.

  - Survivorship Care Plan Tools
  - Survivorship Care Plan Models (who completes care plans)
  - Budgetary Considerations
    - Best Practice documents can be found at [http://www.michigancancer.org/AboutTheMCC/CurrentProjects-SCP.html](http://www.michigancancer.org/AboutTheMCC/CurrentProjects-SCP.html)

## Central Registry Update:

- July 1, 2014 webinar was hosted by MDCH in cooperation with the State of Colorado Central Registry
  - Would allow health systems to utilize state-held registry data to populate a care plan.
  - MDCH is exploring the POTENTIAL of using central registry data to populate care plans at this time and will provide updates to project participants as they are available.
**Journey Forward Update**

- The National Coalition for Cancer Survivorship is reporting that preliminary testing has been completed with Elekta’s METRIQ registry software to integrate their software with the Journey Forward Care Plan Builder.
- This software is utilized by several project participants who are looking into this report.

**September 5, 2014 Meeting**

Schedule:
- 9:00 Registration and Continental Breakfast
- 9:30 Meeting start time
- 12:00 A working lunch will be provided
- 3:00 Adjourn

Location:
- Interactive Learning Center, Michigan Public Health Institute, Okemos, MI (near Lansing)
